Dear Member

GENERAL ASSEMBLY 2010

Time has gone, and according to the Constitution, this organization has to hold an annual general assembly on November, 2010

However, we regret to inform you that this year's General Assembly is postponed until Tuesday, January 25, 2011.

This is because on November 14 the board is having an official trip to Pemba, Tanzania, in order to evaluate the school project at Ziwani Primary School. The visit was originally planned to take place in spring 2010, but due to unavoidable circumstances this visit was postponed until November. The Board considers this visit as essential in order to make sure that funds that were contributed by our sponsors and members to the project has been beneficial to the pupils at school. The Board also wishes to provide our members and sponsors accurate information about this initiative, answering the following questions:

- Does AD-N's initiatives been value-added to the school or not? in other words
- Does AD-N's initiatives been beneficial to the pupils at the school?
- Have we managed to improve children's health and education conditions at the school?
- Have we managed to achieve one of our main objectives?
