AD-N invites two new members to the Board. Joseph from Kenya and Frede Hansen from Dronninglund. Frede has been elected as A-DN's secretary. Unfortunately A-DN is still searching for a treasurer.. In the meantime, the Chair is trying to cover this position, until we find interested member who would like to take over this position and responsibility.

Our newly elected secretary has been involved in development work for years. For some years he has been a Chairman of MS Nordjylland – until MS decided to close down its local office in Nordjylland. Frede Hansen has established his web gallery. Kindly visit, www.afro-art.dk , which is now under Foreningen afro-art.dk, where Frede is the Chairman of this organization.

Joseph is from Kenya and lives in Terndrup. He has been living in Danmark for many years. He would like to assist this organization in making a difference

AD-N has its office at Frivillighuset, and has been taking several students as interns to undertake office and research work.

Our economy had been satisfactory, because we had high memberships and received a good financial support from different sponsors and Fonde. We now need to establish new contacts to get sponsors to support us at the same time we are also appealing to those members who have forgotten to pay their membership fees to kindly remember to pay it. Our economy depends mainly on membership fees,

kindly remember to pay your membership fees in order to make this organization going..

We are planning to have different activities and projects planlægger, including participating in the Kulturturnatten the 3. september.

A-DN is also expected to get some computers and used school equipment and facilities that can be sent to Africa.

On the 8-9 April 2011, A-DN will be participating in the general meeting with projektrådgivningen in Odense: We hope to establish social networks and get inspiration and support for our future activities and projects.

Unfortunately, A-Dn will not hold GLOBAL FAIR this year, because it lacks financial support and volunteers to make this event a success.

Kindly send a mail, if you are interested to be a volunteer in our events. Our motto is:

.... only a little

... can make a big difference.....
