

Only a little...

can make a big difference!

PRESS RELEASE, SEPTEMBER 2009

GIVE A CHILD A BETTER FUTURE

Very many thanks to all concerned for the great support we received for the Ziwani Primary / Secondary School project in Pemba, Tanzania

At the start of the project in 2008, African-Danish Network had no idea how it would work out but we just knew, we wanted to make a difference. It has been a long process, but we always believed that it would be a right and a good way to start if we wanted to accomplish this. We started by making advertising materials for public relations and we are very grateful and very glad indeed to get full support from Royal Canin Danmark A / S and Solo Grafisk A / S.

We are now happy to inform you that on the 10th of September 2009, our project came to fruition and success, when, thanks to all our supporters and contributors, we managed to completely fill and send a 40 ft shipping container with fine school, sports and office furniture together with supplies of pencils and paper etc, for shipping to the pupils of Ziwani Primary/Secondary School in Pemba, Tanzania, via Blue Water Shipping A/S. The estimated time of arrival (ETA) in Zanzibar is November.

We convey our thanks and gratitude to Mellemløkkeligt Samvirke and the Blue Water Shipping A/S for their most generous efforts on our behalf. Our special thanks also go to Aalborg

Only a little...

can make a big difference!

University, Royal Canin Danmark A/S, Randers Sport A/S, Solo Grafisk A/S, AaB, etc for all their hard work and effort to make this possible.

A-DN wants to continue the work for the future and hopes for further support for the school, to renovate its crumbling buildings and to provide better facilities for the pupils, which will reduce the existing health risks and hazards.

A-DN is a voluntary humanitarian help organization and we are most grateful for all the help and assistance we can possibly get to help improve the educational standards and facilities for the Pemba School, which will enable the pupils to benefit more from their education, and help towards a better future. Having said that, A-DN staff work on voluntary basis and we can assure you that when all the help and assistance in whatever form is properly marshaled and organized, it will go straight and directly to those for whom the support is intended, and nobody else.

If you wish to assist in any way whatever, and/or would like more information, please visit us at www.african-danish-network.dk or contact us at info@african-danish-network.dk or tel. no.: 43 33 10 47 at De Frivilliges Hus, Mølholmsvej 2, DK-9000 Aalborg.

With best wishes from
